## finance trainee(s) (m/f)

### your mission

- \* You will join a trainee programme that consists of placements in different finance departments of RTL Group in Luxembourg and also in one of our subsidiaries abroad. The complete programme will last 15 to 18 months.

### your responsibilities

- \* You will get an overview of various financial functions within the RTL Group.
- \* You will actively support the specific department you will be placed in and get to know their day-to-day work (such as Controlling & Investments, Reporting, Consolidation, Treasury etc.).
- \* You will get involved in specific projects in addition to your daily tasks.
- \* You will work with software applications related to our financial operations (SAP, Magnitude).

### your profile

- \* You have a university degree in business administration, finance or economics.
- \* You have relevant internship and maybe some first professional experiences.
- \* You are familiar with office software (in particular Excel) and ideally also accounting software (SAP, Magnitude).
- \* You are fluent in English, have additional knowledge of French and German; any other European language will be an advantage.
- \* You are curious, ready to invest a lot and eager to learn.
- \* You have excellent analytical and communications skills.
- \* You also have good interpersonal skills.
- \* You are mobile, willing to travel and to spend some time abroad – in short you have an international career outlook.
